*Rome, July* 11. *N. S.*

SIgnior Fieſchi is lately returned from France, where he has reſided for ſome time with the Character of Nuncio Extraordinary. The Pope has given him the Archbiſhoprick of Genoa, and has named Signior Gontieri to ſucceed him in that of Avignon. The Marquis of Bedmar, who is lately appointed Viceroy of Sicily, having made a ſhort ſtay in this City, proceeded on the 30th paſt towards Naples; and we have ſince received an Account of his being arrived there; and that 5 Gallies were come thither from Meſſina to attend him in his Paſſage to that Port. The Pope having ſome weeks ago cauſed Signior Cavalleti, a Gentleman of the Imperial Ambaſſador's Retinue, to be impriſoned for ſome Miſdemeanor, his Excellency made great Complaints of this Proceeding, as being a Violation of the Privileges belonging to his Character; whereupon the Pope diſpatched an Expreſs to his Nuncio at Vienna, who returning the 3d Inſtant, a Congregation was held the next day to conſult upon the Matter, wherein it was reſolved, That Signior Cavalleti ſhould immediately be diſcharged out of Cuſtody; which was done accordingly. The Nuncio having at the ſame time given the Pope an Account, That it was ill reſented at the Imperial Court, that the French have been permitted by him to poſſeſs themſelves of Mezzola, and other Poſts in the Ferrareſe, he has diſpatched an Expreſs to the French Court with Complaints of this Proceeding of their Troops, as being inconſiſtent with the Neutrality which he profeſſes himſelf deſirous to obſerve between the ſeveral contending Parties. There being Advice from Spain, That a certain Fryar, accuſed of a Conſpiracy againſt the Government, had been ſeized at Granada, and was proceeded againſt before the Civil Courts, without any Regard had to the Eccleſiaſtical Immunities, a particular Congregation is appointed to conſider of that Affair.

*Warſaw, July* 18. On the 11th Inſtant the Marſhal of the Confederacy, which ſides with the new Elected King Staniſlaus, arrived here, with 3 Deputies from the Palatinate of Lencici, being guarded by a Body of Swediſh Horſe. He repaired to the Caſtle, and went into the Room where the Diet uſually meets, where, notwithſtanding the ſmall number of Deputies that were preſent, he opened the Aſſembly with a Speech, telling them, That they were met in purſuance of Summons iſſued by the Cardinal Primate, in order to treat of ſeveral Matters of high Concern to the Kingdom: After which they adjourned to this day; when, being met again, and the Aſſembly being encreaſed to 14 in number, they confirmed the Marſhal in his Office, and reſolved, That he ſhould write to the Cardinal Primate, to invite him hither; to the King of Sweden, to pray him to ſend Deputies to enter into a Treaty with the Diet, for the reſtoring of the Peace of the Kingdom; and to the new Elected King, to beg of him to intercede with his Swediſh Majeſty, That he will order Parties to be ſent out to guard the Deputies that are expected here; the Caſtellan Smigielsky being yet in our Neighbourhood with a Body of Troops, who gives frequent Alarms to the Swediſh Forces that are poſted hereabouts for the Security of this Diet. We hear that the Czar was expected the 12th Inſtant at Wilna.

*Berlin, July* 25. The King of Pruſſia went the 20th Inſtant to Wuſterhauſen, and the 22d to Potſdam, where his Majeſty is at preſent. Monſieur Prebendow, Ambaſſador from Poland, is expected here this day from Saxony, where he has been to wait upon the King his Maſter, who, according to our laſt Advices from thence, was taking a Review of his Troops in their ſeveral Camps, and making Preparations for their March into Poland. Six hundred Saxons, being part of theſe who were taken Priſoners at Thorn, when the Swedes poſſeſſed themſelves of that Place, have lately been brought to Saxony, in exchange for an equal number of Swediſh Priſoners. A conſiderable number of Troops have been lately brought by Sea from Sweden to Poland, and part of them have already paſſed by Stetin in their March to Rawitz, where the King of Sweden ſtill has his head Quarters.

*Kinſale, July* 20. The Expedition Packet-Boat, Captain Clyes Commander, is juſt now arrived here from Lisbon, having been 22 days in her Paſſage. About three days before ſhe came away part of the Confederate Fleet ſailed towards the Streights, under the Command of Sir Cloudeſly Shovell; and the Earl of Peterborough intended to follow in few days with the remainder.

*Falmouth, July* 23. Her Majeſty's Ships the Southampton and Lizard ſailed hence yeſterday, with about 80 Sail of Colliers and other Veſſels under their Convoy. This day came in the Alliance Packet-Boat, Captain Green Commander, from Lisbon, whence ſhe ſet Sail the 12th Inſtant: She brings an Account, That the Prince of Heſſe-Darmſtad came thither the 5th on board Her Majeſty's Ship the Leopard from Gibraltar, to confer with the Earl of Peterborough and the other Generals; and on the 11th his Highneſs ſailed back on board the ſame Ship for Gibraltar; That the Earl of Peterborough would part from Lisbon in two or three days with the Men of War, Tranſports, &c. having on board a conſiderable number of Land Forces; and the King of Spain himſelf deſigned to go on
